EXECUTIVE PROFILE

Higher education leader with 29+ years in university governance, institutional transformation, research and accreditation. Currently Principal of AVIT, Chennai, and formerly Pro Vice Chancellor of Sanjivani University. As Principal of Sri Krishna College of Engineering & Technology (Autonomous), Coimbatore, for more than seven years, led the institution into the NIRF Top-100 for four consecutive years, secured NAAC 'A' Grade and NBA accreditation for seven departments, and mobilised ₹9.83 crore in research funding. Builds industry-integrated, AI-enabled institutions aligned with NEP 2020 and outcome-based education, with 59+ active industry partnerships, 24 patents and 11 doctoral scholars guided.

LEADERSHIP AT A GLANCE

29+ Years in higher education	8+ Years as Principal, plus Pro VC	Top-100 NIRF, 4 consecutive years (2020–23)	₹9.83 Cr Institutional research grants	₹2.83 Cr Grants as Principal Investigator
11 Ph.D. scholars guided	24 Patents, incl. international grants	102 13 Research papers Books	59+ Active industry partnerships	NAAC A NBA for 7 departments

SIGNATURE FIRSTS

1 of 3 Colleges in India to launch the TCS B.Tech CSBS programme; first TCS MoU in Tamil Nadu (2018)	Only Smart India Hackathon nodal centre in Tamil Nadu, for the fourth consecutive year (2020)	First Anna University-affiliated college in Tamil Nadu to offer a Virtusa-powered integrated M.Tech
--	---	---

LEADERSHIP PILLARS – QUANTITATIVE EVIDENCE

01 Institutional Transformation Top-100 NIRF, four consecutive years (2020–23) 73rd Best NIRF rank (2022) NAAC A Grade + UGC Autonomy 7 Departments NBA-accredited Diamond QS I-GAUGE, AVIT (to 2029)	02 AI & Future-Ready Education 3 New B.Tech programmes: AI, Design, Cyber 7 Departments with AI/data tracks C3 Cognitive Computing Centre 3 AI forums addressed, 2025–26 Chair IC³AID 2026 Conference	03 Industry–Academia Integration 59+ Active industry partnerships 16 Centres of Excellence 1 of 3 Colleges in India: TCS CSBS 12+ Partners in curricula First Virtusa M.Tech in TN
04 Research, Innovation & IPR ₹9.83 Cr Research funding mobilised ₹2.83 Cr As Principal Investigator ₹53.81 Cr Faculty proposals 24 Patents, 4 countries 11 Ph.D.s guided; 102 papers	05 Student Employability 250+ Students MongoDB-certified (2025) 17 Teams, AI/ML hackathon 15 Moved to internships 366 Smart classrooms 2nd ARIIA national rank (2021)	06 National & Global Visibility 3 Countries with university MoUs 4× SIH nodal centre 10 Colleges mentored for NAAC 2 International roles, 2025 10 Leadership awards

CURRENT APPOINTMENT

Principal Aarupadai Veedu Institute of Technology (AVIT), Chennai	Jun 2025 – Present
---	-------------------------------

Leadership at AVIT: March 2025 – Present | Director, Mar–Jun 2025 | Principal from June 2025

Institutional Quality, Strategy & Governance

- Provided strategic direction for AVIT's quality positioning: QS I-GAUGE Overall Diamond Rating retained (recognition through 2029), Diamond band in Research Excellence and in Employability & Startup Ecosystem Excellence, and QS I-GAUGE Institution of Happiness (2024–25 and 2025–26).
- Resource person for the institutional sensitisation programme on the VMRF-DU Vision and Strategic Plan, covering academic excellence, research advancement, innovation and institutional development.
- Presented the AVIT Annual Report 2025–26 at Annual Day 2026, setting out the institution's milestones, student achievements and academic excellence.
- Heads institutional systems for IQAC, Academic Monitoring, Student Grievance Redressal, Anti-Ragging, the SEDG Cell, Universal Human Values and student welfare.

AI & Future-Ready Education

- Represented AVIT at the BRIDGE Conference 2025, Kuala Lumpur, in the international dialogue with HCLTech on AI-driven talent transformation and AI–Outcome Based Education.
- Invited speaker, ET Education EDNXT, Chennai (September 2025), on “The Education Transformation: AI, Access & Acceleration.”

- Featured in HCLTech's discussion at the India AI Impact Summit 2026 on preparing institutions and graduates for real-world industry requirements.
- Established the C3 – Cognitive Computing Centre with iTech India, supporting AI/ML projects, research, mentoring, co-incubation, internships and placement pathways.
- Conference Chair, IC³AID 2026 – International Conference on Cognitive Computing, AI & Data Intelligence.

Industry Integration & Student Employability

- Led a 16-day AI/ML Hackathon with iTech India: 17 student teams built AI/ML prototypes and the top 15 performers were identified for industry internships.
- 250+ CSE students completed the MongoDB Skill-a-thon 2025; received the institutional award at the MongoDB Academic Summit 2025 and ICT Academy's Certificate of Recognition for coordination.
- Established the Centre of Excellence with Annular Technologies (MoU, January 2026) for structured internships, live projects, certification, industry mentoring and internship-to-placement pathways.
- Executed MoUs with StartupTN (student and faculty entrepreneurship) and Micro Therapeutic (biotechnology research, internships and industry-linked projects).

Research, Innovation & IPR

- Chairman, Institutional Research Committee; Chairperson, IPR Cell; President, Institution's Innovation Council.
- Welcomed DRDO/ARMREB leadership (July 2025) and supported AVIT's defence research-opportunity and proposal-development programme.
- Session Chair, 5th IEEE International Conference on Innovations in Power and Advanced Computing Technologies (i-PACT 2025), Indonesia.

Digital Learning & Sustainability

- Chairman, E-Learning Development Cell, overseeing SWAYAM, NPTEL, IIT Spoken Tutorial and other online-learning pathways.
- AVIT received 2026 recognitions for Holistic Sustainability Excellence and Progressive Sustainability Excellence, with emphasis on energy literacy and green-campus practice.

PREVIOUS SENIOR LEADERSHIP

Director – Engineering Research & Strategic Collaborations

Aarupadai Veedu Institute of Technology, Chennai

Mar 2025 – Jun 2025

- Led engineering research development and strategic institutional collaborations, laying the groundwork for AVIT's industry Centres of Excellence and emerging-technology programmes.

Pro Vice Chancellor

Sanjivani University, Maharashtra

Apr 2024 – Feb 2025

- University-level leadership in academic strategy, governance, policy implementation, academic quality, research and innovation, industry engagement and stakeholder management during the university's growth phase.

Rankings & Accreditation

- Took the institution into the NIRF Top-100 for four consecutive years: 83rd (2020), 78th (2021), 73rd (2022), 77th (2023).
- **ARIIA:** 2nd rank (2021), 4th rank (2022) and the 11–50 band (2023); India Today 2021: Top-5 Private Engineering College.
- Achieved NAAC 'A' Grade and NBA accreditation for seven departments; supported UGC Autonomous status and strengthened IQAC systems.

Research & Innovation

- Mobilised ₹9.83 crore in research grants through AICTE-RPS, DST-YSS, DST-TIDE, DST-CHORD, DST-SEED, DST-WOS, TNEDI and UGC-MRP.
- Encouraged faculty proposals worth ₹53.81 crore to DST-AMT, DST-KIRAN, SPARSH, SERB, TIDE, TNSTC and ATAL Incubation.
- Built 14 Centres of Excellence and incubation systems; obtained MHRD's Innovation Cell, DSIR-SIRO recognition, DST-IEDC, a Research & Incubation Cell and the National Cyber Defence Resource Centre.
- Institutional research output grew to 320+ patents and 1,500+ Scopus/WoS publications; Institution's Innovation Council rated 4 stars (2021).

Academic Transformation & Industry-Integrated Education

- Formulated the B.Tech Computer Science & Business Systems programme with TCS, as one of three colleges in India, and the first institution in Tamil Nadu to sign the TCS MoU (2018).
- Formulated a five-year integrated M.Tech CSE powered by Virtusa, the only Anna University-affiliated institution in Tamil Nadu to pioneer the programme.
- Introduced B.Tech programmes in AI & Data Science, Computer Science & Design and CSE (Cyber Security).
- Steered industry-integrated tracks across ten departments with HCLTech, Intel-NEC, XTIC, IBM, Fortinet, AMTZ, Medini Technologies and BVERSITY; built 59 active industry MoUs and 366 smart classrooms.

National Initiatives

- Smart India Hackathon nodal centre (the only one in Tamil Nadu, fourth consecutive time in 2020) and Toycathon 2021 nodal centre.
- National mentor, AICTE SAMADHAN Challenge; mentor to 10 non-accredited institutions for NAAC; coordinator, AICTE ATAL FDP on Data Sciences (2020); AICTE SLAP reviewer (2021).
- **AICTE Lilavati:** 1st rank (2021), 2nd rank (2019); AICTE Clean & Smart Campus: 2nd (2019), 3rd (2020); ICT Academy National Top Institution, New India Learnathon (2020).

CAREER TIMELINE

Period	Position	Institution
2025 - Present	Principal	Aarupadai Veedu Institute of Technology, Chennai
2025	Director - Engg. Research & Strategic Collaborations	Aarupadai Veedu Institute of Technology, Chennai
2024 - 2025	Pro Vice Chancellor	Sanjivani University, Maharashtra
2016 - 2024	Principal	Sri Krishna College of Engineering & Technology (Autonomous), Coimbatore
2013 - 2016	Professor & Head, CSE	Sri Venkateswara College of Engineering & Technology (Autonomous), Chittoor
2011 - 2013	Professor, CSE	Dr. M.G.R. University, Chennai
2008 - 2011	Professor, Information Technology	Vel Tech Dr. RR & Dr. SR Technical University, Chennai
2006 - 2008	Professor, CSE	Jaya Engineering College, Chennai
2005 - 2006	Professor, CSE	DMI Engineering College, Kanyakumari
2000 - 2005	Assistant Professor, IT	Sathyabama Institute of Science & Technology, Chennai
1996 - 2000	Lecturer, CSE	Sathyabama Institute of Science & Technology, Chennai
1995 - 1996	Lecturer, CSE	Crescent Engineering College, Chennai

RESEARCH, INNOVATION & INTELLECTUAL PROPERTY

102 Research papers	13 Books	24 Patents	15 28 h-index i10-index	11 Ph.D.s guided
-------------------------------	--------------------	----------------------	---------------------------------------	----------------------------

- Recognised Ph.D. supervisor at Anna University, JNTUH and MS University; 11 scholars guided to completion.
- **Research themes:** AI, machine learning, IoT, cloud computing, cyber security, medical image processing, telemedicine, precision agriculture and assistive technologies.

Grants as Principal Investigator - ₹2.83 crore

Scheme	Project	₹ Lakhs
DST-FIST	Centre for Research in Advanced Materials & Manufacturing	69.70
DST-TITE	Food fortification technology for forest-fringe villages	60.21
DST-TIDE	Design and development of a Smart Pen for Dyslexics	55.19

Scheme	Project	₹ Lakhs
DST-CSRI	Automated hybrid classification system for Autism Disorder	36.02
DST-CHORD	Corporate entrepreneurship for women's social and economic benefit	29.84
PMKVY-AICTE	Skill development (Junior Software Developer, Data Entry Operator)	28.00
DST-NIMAT	Entrepreneurship Awareness Camp	1.60
AICTE-FDP	Intelligent Computing in Data Science (2020)	0.93

International Patents

- Intelligent Acoustic Serenity using Self-Adjustable User-Friendly IoT Embedded Microphone – Australian Patent No. 2020103899 (granted 2021).
- Efficient Air Conditioner with Self-Sanitizing Techniques – Australian Patent No. 2020102996 (granted 2022).
- Systems for Remote Monitoring and Diagnostics of Cyber/Network Security through Machine Learning – German Utility Patent (granted 2022).
- Internet of Things-Based Drainage Pipes Cleaning Robot System – South African Patent 2022/13006 (granted 2023).
- IoT-Based Agricultural Drone for Pesticide Spray – UK Design 6268378 (granted 2023).
- Non-isolated Bi-directional Converters with Coupled Inductor for Hybrid Electric Vehicle Applications – PCT/IN2019/050392 (published 2020).

Indian Patents

- **Indian designs granted:** Obstacle Avoidance Shoe with Motion Sensors; Smart Pen; Bore Hole SoS Grip Antech Rescue Device. 19 published Indian applications in IoT, assistive technology, healthcare, smart agriculture, energy harvesting and sentiment analysis.

AWARDS & RECOGNITION

■ Top 20 Principals in Higher Education <i>Academic Insights, 2025</i>	■ Top 10 Winners – Women in Education <i>HerRising Awards, 2025</i>
■ Excellence in Academic & Technical Leadership <i>Plus 91 Media</i>	■ 10 Most Influential Women Leaders in Education <i>Higher Education Digest, 2020</i>
■ AICTE Lilavati Award – Technology for Women <i>AICTE</i>	■ AICTE Visvesvaraya Best Teacher Award <i>AICTE</i>
■ Top 20 Influential Women Educators in Tamil Nadu <i>ULektz, 2019</i>	■ Young Principal – Coimbatore Zone <i>IIIR, ISTE – Anna University</i>
■ Vidya Ratna Award <i>National recognition</i>	■ Certificate of Appreciation <i>Association of Indian College Principals, 2017</i>

GOVERNANCE & NATIONAL ENGAGEMENT

- Academic Council member (Anna University); Governing Body participation, statutory approvals, academic audits and convocation leadership.
- Special attendee, AICTE Approval Process Handbook (2021–22) programme on resetting technical education and implementing NEP 2020.
- International academic MoUs with universities in the USA, Australia and Malaysia.

WOMEN EMPOWERMENT & SOCIAL IMPACT

- Women Centre with DST-SEED funding: rural women trained and certified in millet-product manufacture and entrepreneurship, with an on-campus bakery unit in production.
- Skill and personality development centre with AICTE support; SC/ST hub, social-entrepreneurship network and PMKVY skilling.
- Adopted four villages; 'One Student – One Tree' drive planted 10,050 saplings (2019); 'Wings to Fly' licensed-driving programme for women.
- Founded the Women Empowerment Centre with TNCDW at Vel Tech University; set up a 600-book library in a tribal village through the Eagai social club.

EDUCATION

2006 Ph.D., Computer Science & Engineering Sathyabama University, Chennai	2001 M.E., Computer Science & Engineering University of Madras • University Tenth Rank Holder	1995 B.E., Computer Science & Engineering University of Madras
---	---	--

PROFESSIONAL MEMBERSHIPS

IEEE – Member	Institution of Engineers (India) – Associate Member	Indian Society for Technical Education – Life Member
Systems Society of India – Life Member	ISSE India – Life Member	MHRD Institution's Innovation Council – Member

LEADERSHIP VISION

“To build globally connected, innovation-driven universities where knowledge becomes innovation, innovation becomes impact, and education creates meaningful opportunity for students and society — through academic excellence, ethical governance, AI and emerging technologies, industry integration, sustainability and inclusive nation-building.”
